

GREGORY DICKOW

MINISTRIES

JOB PROFILE

Job Title: Video Content Editor

Job Summary: The Video Content Editor will support the creative process and execution of video and motion graphic elements for both Life Changers Church and Gregory Dickow Ministries including Pre-Production, Principal Photography, and Post-Production, with an emphasis on editing content for social media platforms as well as broadcast television.

Essential Job Duties

- Participate in the production (pre, principal, and post) of all Film/TV shoots
- Edit Weekly TV Broadcasts (messages, CTAs, PSAs and other creative items)
- Produce (edit and caption/subtitle) engaging micro video content from Live messages for Gregory Dickow and Life Changers social media platforms (1-5min preaching excerpt clips, meme videos, series promos, etc.)
- Participate in Weekend and Midweek Service Production (i.e. directing, video engineering, live streaming, etc.) as well as production needs for special events
- Assist in the management of GDM and LCIC social media channels as it pertains to visual content
- Conceptualize and produce CTA's/promos for TV and social.
- Participate in brainstorming sessions with the Life Changers/GDM creative teams

Required Education, Knowledge, Skills and Abilities

- Must have a saving knowledge of Jesus Christ and have answered His call to commitment of service; Must demonstrate full understanding and wholehearted agreement with Life Changers International Church Statement of Purpose, Vision and Culture. Attend services on Wednesdays and Sundays
- Requires commitment to operate as a team, respecting the individual demands on others but never placing individual responsibilities above the goal of the team or the success of the church
- Proven creative production skills or training on the job
- Strong attention to detail and ability to analyze data and problem solving abilities
- Ability to remain cool and work efficiently in high pressure situations
- Possess excellent communication skills, verbal, written and listening skills
- Flexibility in hours required to work
- High School Diploma Required, college work preferred
- Minimum 3 years editing experience using Premiere Pro, Final Cut Pro, Avid or comparable NLE system
- Minimum 1 year experience with Photoshop
- Adobe After Effects experience a plus
- Experience in a live production environment a plus
