

# LIFE CHANGERS ONLINE TEAMS

## **Life Group Leader**

Life Group Leaders host small gatherings of 4-12 people in-person or online twice a month to build community, discuss the latest message from Sunday, and pray together. Attending a Life Group for 6-months is required before becoming a Life Group Leader.

## **Online Host Team**

This team brings a personal touch to the online experience by hosting the chat on various online platforms. Their goal to ensure everyone joining online feels at home. They are equipped to welcome viewers, answer questions, and build community.

## **Prayer Team**

This team serves our church by praying for specific requests on a monthly basis. After 6 months on this team, a team member may be eligible to answer live prayer calls throughout the week.

## **Watch Party Host**

Watch Party Hosts facilitate gatherings in their home or via an online platform to watch a Sunday Service together and build community.
